Safe Place services in partnership with Nevada Partnership for Homeless Youth (NPHY) are available at all library branches. Youth in crisis may seek assistance with any staff member during regular operating hours.

A library card is your all-access pass to a wonderful world of discovery. Use it at any of our 25 convenient branches or on the library's website at LVCCLD.org.

- If you don't already have a library card, sign up for our **new Digital eCard** at LVCCLD.org/eCard (available in English or Spanish). You will get a library card number that lets you borrow, stream, and download instantly on our website, without having to enter a branch.

- You can also show off your love for the library with a physical **Library Card**, like the one pictured here. We have five great designs to choose from, including our popular Vegas Golden Knights card. Just stop by your local library branch customer service desk with your photo I.D. to choose your favorite.

- Find your **nearest branch** at LVCCLD.org/special-services/ and start enjoying the library today!
