

# POWER UP YOUR ROBOT

KIDS & TEENS

## SUMMER CHALLENGE LOG

May 15–July 31, 2021

### HERE'S HOW:

- Name your robot.
- Power up your robot with fun learning & reading activities at each level.  
Color in the shapes: □ = 30 Minutes of Reading ○ = Fun Learning Activity
- Return your log to the library after each level and collect a book prize.
- Complete all three levels & turn in your log for a chance to win a prize worth \$50.
- Are you a super reader? Take the optional 900-Volt Challenge while completing your Power Up reading and learning activities!

### LEVEL 1

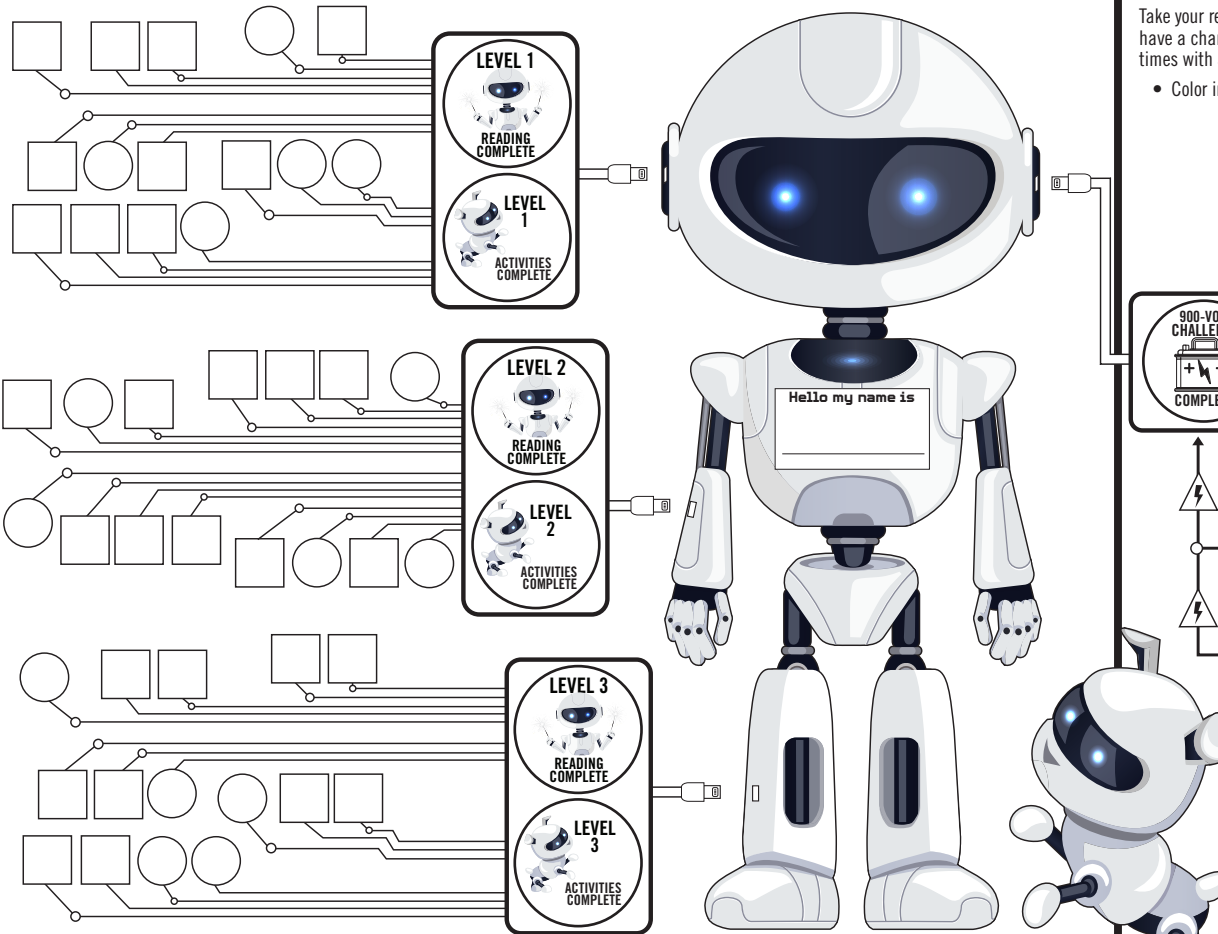

Complete this level between  
May 15 – July 31.

### LEVEL 2

Complete this level between  
June 1 – July 31.

### LEVEL 3

Complete this level between  
July 1 – July 31.

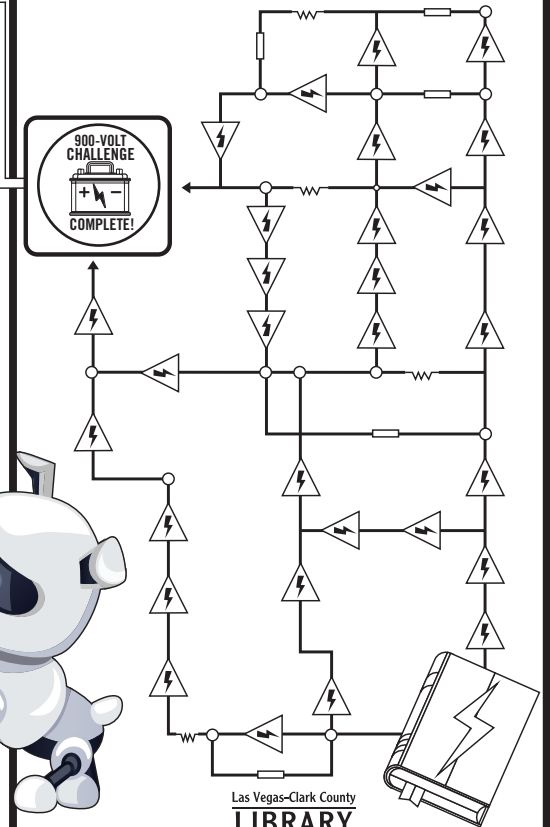

**SUPER READERS!**

# SUPERCHARGE YOUR ROBOT

## 900-VOLT CHALLENGE

Take your reading to the next step with the 900-Volt Challenge! You'll have a chance to win even more prizes by supercharging your robot 30 times with 30-minute reading volts.

- Color in the shapes ▲ = 30 minutes of reading
